Defibrillators in the Parish of Lythe

There are three, in Sandsend, Lythe & Kettleiness

- Sandsend, outside the Pyman Institute (to the left of Sandsend Stores)
- Lythe, outside The Stiddy (public house)
- Kettleiness, adjacent to the turning circle on the cliff top

In the event of a suspected sudden cardiac arrest the observer and those present must report immediately the incident by phoning the Emergency Services 999.

Instructions will be given by the Operator how to assist in the incident.
